

SCAVENGER HUNT

Although Walk Ahead for a Brain Tumor Cure is virtual this year, we hope you'll still join us for some fun! This event is a fun way for the entire family to raise funds for the University of Cincinnati Brain Tumor Center.

Grab your camera, your team, family and friends, and see how many items you can cross off your list! Your support is important; in past years, funds from Walk Ahead have helped achieve new benchmarks in brain tumor research. Share your photos along the way by using **#UCWalkAhead** and tag us at **@btcwalkahead**. The first five completed scavenger hunt cards will win a \$20 Amazon gift card code.
